SHEEP IN THE FIELD

S- Ninety -nine sheep in the field today, one slips off and runs away.

Here I go, that's why we say there's ninety-eight sheep in the field today!

Ninety-eight sheep in the field today, one slips off and runs away.

There he goes, that's why we say there's ninety-seven sheep in the field today.

Ninety-seven sheep in the field today, one slips off and runs away.

There he goes that's why we say there's ninety-six sheep in the field today!

Ninety- six sheep in the field today, one slips off and runs away.

There he goes, that's why we say there's

UH-OH! It's the shepherd!

NO MATTER HOW BAAAD WE ARE THE SHEPHERD LOVES US

No matter how baaaad we are the shepherd loves us.

No matter how faaaar we stray,

still He carries us home

No matter how baaaad we are, the shepherd loves us

Yes, He loves us and He calls us His own,

Oh, He loves us and He calls us His own.

1. He's a real food shepherd

He's the best there is

You can search the whole world over you'll never find a love like His!

2. We're such stubborn critters

You'd think He'd say, "Get lost!"

But there's no price too high for Him,

He'll bring us back at any cost!

Oh, He love us and calls us His own!

HE NEVER FALLS ASLEEP COUNTING SHEEP

S— A shepherd will work from dawn to dusk tending the sheep in His flock.

You'd think He'd get a vacation or at least could punch a clock!

But a shepherd's hours are long and hard and when the sun goes down,

His work isn't done, it's only begun,

He's got His sheep to count

A— He never falls asleep counting sheep.

Each number stands for a precious lamb that He's been trusted to keep.

No matter how long the day has been, we can always count on Him.

He never falls asleep counting sheep.

S— When you go to bed remember this: Your Master is always awake.

He never sleeps or slumbers, but hears ev'ry breath you take.

He cares for you all thru' the day and then all thru' the night.

And tho' you can't see, He watches you sleep, He's always by your side.

He never falls asleep counting sheep.

Each number stands for a precious lamb that He's been trusted to keep.

No matter how long the day has been, we can always count on Him.

S— Plenty of times we've tried to stay awake until He counted our heads,
but we fall asleep instead.

He never falls asleep counting sheep.

Each number stands for a precious lamb that He's been trusted to keep.

No matter how long the day has been, we can always count on Him

He never falls asleep counting. ZZZZZZ sheep.

THE SHEPHERD'S HALL OF FAME

S- Amid the verdant fields of clover, in a scene pastoral, stands a great memorial to the shepherds of the past.

Those mighty men of strength and love who led our dads and mothers, to them above the others, we give honor at last.

ALL- In the Shepherd's Hall of Fame, in the Shepherd's Hall of Fame, that's where ours belongs.

Of the shepherds we recall, He's the greatest of them all.

If we only knew His name, we would put Him in the Shepherd's Hall of Fame.

S- Abel, oh Abel was the first to tend a flock, the first kid on the block to be a shepherd by trade. At the sacrificial test, God said, "I like your gift best." and that's why he was placed

S- David, dear David, he played the harp so well, all the sheep could tell he was a shepherd by trade. If the sheep had any qualms, he would just recite the Psalms and that's why he was placed

S- Rachel, sweet Rachel, before your women's lib, guess what this young girl did? She was a shepherd by trade. Oh she was a gorgeous gal, but she made the sheep her pals, and that's why she was placed

In the Shepherd's Hall of Fame, in the Shepherd's Hall of Fame, that's
where ours belongs. Of the shepherds we recall He's the greatest of
them all.

If we only knew His name, we would place Him in the Shepherd's Hall of
Fame!

BORN TO BE OUR SHEPHERD

S - My grandpa told me years ago when I was just this tall, of how one night a star so bright shone down upon the stall and how a tiny Babe was born to show God's love to all.

And when I asked why, this was his reply:

All - He was born to be a shepherd, God planned it from the start,
and placed within His heart a love for His lambs.

he was born to be a shepherd, that we might follow Him.

Jesus, Jesus, the Shepherd of men.

S - Long before the earth began God devised a special plan to show His love to ev'ryone God had sent His only Son.

S - His love for us was never learned and this love cannot be earned. it's a gift we can receive when we trust Him and believe.

He was born to be a shepherd, God planned it from the start, and placed within His heart a love for His lambs. He was born to be a shepherd, that we might follow Him. Jesus, Jesus, the Shepherd of men. Jesus, Jesus, the Shepherd of men.

Jesus is a gentleman who never forces His way in. He stands knocking at your door until you let Him in. Jesus is a gentleman who waits so patiently and then, He prays you will ask Him in to make your heart His home. So let Him in today, ask Him in to stay. Open up the door and say, "Jesus please come in."

Let Him in today, ask Him in to stay. Open up the door and say, Jesus, please come in.

LOVE ONE ANOTHER

"Love on another," He said "Love one another," He said, "Love one another as I have love you. By this shall all men know that you are mine, If you have love for one another all the time."

Love one another! Love one another! Love one another as I have loved you. By this shall all men know that you are mine, if you have love for one another all the time!

ALL WE LIKE SHEEP

S - Each lamb is precious to Jesus our Shepherd, we can't wander out of His love. He gives His life for the least of His children but ev'ryone needs Him because:

All we like sheep have gone astray, all we like sheep have wandered away. All we like sheep must learn to obey and follow Him, follow Him, follow Him, follow Him each day.

S - God proved His love for us when He sent Jesus to show us the way we should live. We prove our love for Him when we obey Him, and keep the commandments He gives.
